US DISTRICT COURT E.D.N.Y.

BROOKLYN OFFICE

On July 18, 2018 I Libi Herz and Esther Herz wrote a letter to you requesting an extension of time for filing of the brief. We have still not heard back.

Unfortunately on July 25, 2018 my mother Esther Herz was in a severe car accident. She broke her leg in 3 places and is awaiting surgery. She has been admitted into the hospital and is completely immobile. Please find the attached letter from doctor J. Passick of orthopaedic surgery stating she will likely be immobile for at least 3 months, and requires surgery.

We kindly request that you please put the entire case on hold for a minimum of 90 days.

This situation has taken a great toll on our lives and would greatly appreciate your help in this matter. I have already contacted the court by phone and was advised to write a letter. I am the only child taking care of her, and constantly at her bed side.

Sincerely,  
Libi + Esther Herz  
I. HERZ
